

Annual REPORT OF GIFTS

June 20, 2018 marked the 10th anniversary of Vermont College of Fine Arts, and what an amazing ten years it's been!

We have grown from three programs to nine, from around 200 students to nearly 400, and from a fledgling arts college to a renowned international center for the arts. Looking back on the past ten years of growth and change, there is one thing that has remained constant: the incredible support from our alumni, students, faculty, staff, and friends. Without this community, we would not be the institution we are today.

From all of us here at VCFA, we offer our deepest thanks and appreciation for all you have done to support VCFA for the past ten years.

The following list includes all donors to Vermont College of Fine Arts whose gifts were received between July 1, 2017 and June 30, 2018. If your name is not included in the list below and you did not request to be an anonymous donor, we sincerely apologize for the error and ask that you contact the Development office: development@vcfa.edu or (802) 828-8555. Thank you again for your support.

Artists Development Fund

The Artists Development Fund was created in 2016 to help financially support artists from diverse backgrounds by providing them access to the highest level of graduate arts education. We sincerely thank the following donors who have supported this important fund since its inception.
