

Annual REPORT OF GIFTS

We are pleased to acknowledge the following donors—alumni, students, faculty, staff, and other friends—for their generosity and support of VCFA. The list below represents donors who made gifts to VCFA during Fiscal Year 2019 (July 1, 2018 to June 30, 2019). We have made every effort to be sure our list is comprehensive and accurate. Please accept our apologies for any inaccuracies or omissions, and contact development@vcfa.edu to make any corrections.

We once again extend our deepest gratitude to our community of donors and supporters!

Become a Sustaining Donor

Do you miss the regular connection to VCFA you had when you were a student and your packet was due each month? Becoming a sustaining donor is a much easier way to stay in touch!

It's easy to set up a recurring monthly gift that fits your budget. Use our online donation form or the enclosed envelope to choose an amount you'd like to give and provide us payment information, and we will automatically charge your credit card each month. You can also sign up—or change the amount or stop payments—any time by contacting development@vcfa.edu.

And one more request—help us think of a better name for our monthly givers! While “sustaining donor” is entirely accurate, we think our community of creatives can come up with something a bit more exciting. Email libby.johnson@vcfa.edu with your ideas, and keep an eye on our social media to see the best submissions!
