Get paired with a new advisor & develop a new study plan

**RESIDENCY  
... AGAIN**

# Semester Two

- Complete your six month semester from home
- Work on your individual project(s)
- Exchange work with your advisor, receive feedback
- Explore and develop your artistic voice
- Stay engaged with your personal and professional life

# See how it works?

See how it works? At VCFA, you will be in the flow of residency and semester work for two years, with two six month semesters per year.

You will attend a total of five residencies, and work with as many as four faculty advisors. Which brings you to semester three, four, and...

- Attend your final residency
- Graduate with your MFA
- Leave with a portfolio of work, a community of peers, & a professional network
- Maintain lifelong access to VCFA postgraduate opportunities, community support, & professional development

**Graduation**  
**The End**  
**(But Not Really)**
